Dear Resident

I am proud to be a candidate in the West Lindsey District Council By-election for the Cherry Willingham ward on Thursday, 29th September 2016.

I was bought up in the small village of Guston, Kent. My working life began in the Women's Royal Army Corps. After nine years at an experimental establishment I became involved with the welfare of soldiers and their families.

I moved to the village of North Somercotes, on the Lincolnshire coast, and set up a home and farming business, where I had my two children. I was a Governor at the local primary school for 16 years, giving me a passion for children's education, welfare & development.

I am passionate about the environment, maintaining & improving our area. Being rural doesn't mean we should be isolated, nor have things put upon us. This is why I want to protect our communities from unsuitable development.

Since I moved to Cherry Willingham I have become a regular walker on the health walks and a member of the local Parish Council.

I look forward to meeting and speaking with as many of you as possible and I hope you might be able to support me in the by-election. I cannot promise you the world or work miracles but I will listen to your concerns & work tirelessly to have your voice heard.

BRIDGWOOD WANTS TO PASS BATON TO MAUREEN PALMER

Alexander Bridgwood, who has stood down from the district council, as he has joined the armed forces, causing the by-election, commented:

“It has been a really exciting period to be involved in our democracy, working with the very dedicated team of Conservative councillors who run the Council. I regret that I am unable to complete my full term, but know that local residents will

support me in my new role in our armed forces.”

Alexander hopes that Maureen Palmer will be his successor, he said:

“Maureen is the right candidate to succeed me, she is intelligent and dedicated, having served in the Women's Royal Army Corps, I know she'll make a great councillor for the Cherry Willingham Ward.”

Action for **CHERRY WILLINGHAM WARD**

KEEPING THE COUNCIL TAX LOW BY BEING EFFICIENT

Local councils get the money they spend from three sources: service fees, council tax and central government grants. Conservatives will make sure the Council represents good value for money.

PROTECT OUR VILLAGES FROM UNSUITABLE DEVELOPMENT

Planning decisions should be made locally, in good time. We will help and support local communities in making neighbourhood plans. We are committed to making sure the Local Plan reflects local needs.

SORTING OUT ISSUES LIKE POTHOLES, FLY-TIPPING AND LITTER

By working together we can sort out issues like potholes, fly-tipping and litter. Problems need reporting and we can all play our part. We will make sure the Council prosecutes those who break the law.

6 Good reasons to Vote Conservative...

1 OUR COMMERCIAL APPROACH

Conservatives are changing the way the Council works; embracing a commercial approach, helping to keep our Council Tax low.

2 SUPER-FAST BROADBAND

West Lindsey's Conservatives have worked hard to make sure that we are not left behind as super-fast broadband is rolled out.

3 TACKLING INCIDENTS OF FLY-TIPPING

We have made sure that the Council keeps on top of any reports of fly tipping and that those responsible are prosecuted.

4 GREEN GARDEN WASTE BINS REMAIN FREE

West Lindsey has an award winning refuse collection service we are working hard to keep it that way.

5 PLANNING FOR THE FUTURE

We want a planning system that is fair to developers, communities and local people. The right development in the right place.

6 THE COUNCILLORS' INITIATIVE FUND

In May 2015 we promised that we'd keep this funded to March 2017. We've managed to fund the scheme until March 2019.
