#### *Dear Resident*

I was born in Lincoln, and attended Bardney Primary School, and built my career in computers and telecommunications.

I first stood for local government following a long standing issue involving the local district council, where I thought the best way to try to mediate a solution was to deal with it from the 'inside'. I therefore stood for election to the Bardney Ward of West Lindsey District Council in 1998.

Over the years I have been proud to represent our communities. Responding to local issues affecting residents and being pro-active, obtaining many grants to aid projects, which has become a much larger issue in recent times, as local groups have filled the gaps where there is no-longer funding from central government (because of the deficit left by Labour) to keep paying for everything we would want to.

In the last few years I have championed local people who wanted Hawthorn Road kept open, lobbying, representing, meeting with ministers in the House of Commons and striving always to put the needs of our area first. I have supported local groups to deliver sound neighbourhood plans so that new housing and other development is the right kind, in the right places.

Please support me on Thursday, 4th May 2017.

*Ian Fleetwood*

## SIR EDWARD LEIGH MP IS BACKING IAN FLEETWOOD

■ Sir Edward Leigh MP, who represents the communities of the Bardney & Cherry Willingham division in Parliament, is backing incumbent county councillor Ian Fleetwood. He said:

"As we leave the European Union it is so important that we have a strong, local team of councillors who will work with me to get the best Brexit deal for Lincolnshire.

"Other parties do not offer the joined up working that local Conservatives can. By working together we achieve more than when we are not working in common cause.

"Ian Fleetwood has the experience and record to convince even the most doubtful that he will be a strong voice for local communities. His track record is one of dedication to those he serves."

Sir Edward Leigh MP

## Action for the **BARDNEY & CHERRY WILLINGHAM DIVISION**

### MORE FUNDING FOR ROAD RESURFACING

Lincolnshire got extra cash from government for our roads. Working with local parish councils I will push for more to be upgraded and will work to make sure our footpaths are up to scratch and in good condition.

### SORTING OUT ISSUES LIKE POTHOLES, FLY-TIPPING AND LITTER

By working together we can sort out issues like potholes, fly-tipping and litter. Problems need reporting and we can all play our part. We will make sure the Council prosecutes those who break the law.

### PROTECTING KEY FRONTLINE SERVICES

It hasn't been easy to deal with reductions in the money the council receives from central government, nevertheless Conservatives have done our best to protect key, frontline services like Safeguarding, Highways and Fire & Rescue.

## 6 Good reasons to Vote Conservative...

### 1 KEEPING YOUR COUNCIL TAX BILL LOW

Lincolnshire's Council Tax remains the third lowest, despite the cuts to local government caused by the deficit left by Labour.

### 2 SUPER-FAST BROADBAND

Lincolnshire's Conservatives have worked hard to make sure that we are not left behind as super-fast broadband is rolled out.

### 3 MORE MONEY FOR ROAD MAINTENANCE

Conservatives have increased to £37 million the road maintenance budget this year, helping keep drivers and pedestrians safe.

### 4 MORE LIBRARIES OPEN FOR LONGER

With increased volunteer participation residents can do research, relax, learn and use IT facilities in more libraries for longer.

### 5 ENERGY-FROM-WASTE FACILITY BUILT

150,000 tons of land-fill waste is now processed each year to cleanly produce cheaper energy for local people.

### 6 PLANNING FOR THE FUTURE

We want a planning system that is fair to developers, communities and local people. The right development, in the right place.
