

JACKIE BROCKWAY

Re-elect your local County Councillor for the
Nettleham & Saxilby Division

I am campaigning for...

- 1 Better and quicker road repairs
- 2 Faster responses to street lighting problems
- 3 Better broadband speeds for our villages

 **Vote Conservative**

Promoted by Giles McNeill, on behalf of Jackie Brockway, both of Office 1, Rasen Hub, 20 Union Street, Market Rasen LN8 3AA. Printed by St Ives plc, 92 Lower Parliament Street, Nottingham, Nottinghamshire NG1 1EH.

Dear Resident

Since 2012 you have allowed me the privilege of serving as your County Councillor for the Nettleham and Saxilby Division of Lincolnshire County Council.

This position of trust is one I take very seriously and I have kept my promise to work extensively to represent our community's needs. I now respectfully ask you to vote for me again on May 4th, so that I can continue to fight for the well-being of our residents.

I am truthful and hard-working and I live in our community, so I experience local problems at first hand. I have consistently put loyalty to residents before party politics and I will continue to do so, because I believe passionately that fair and honest representation must be available to everyone, regardless of their politics, beliefs and lifestyles.

This is a time when we need people to really fight for us and I have shown myself to be completely unafraid of asking awkward and probing questions, or of pushing until I receive an answer. Sometimes those answers are a long time coming, but I believe we should never, ever give up until we get them.

Please vote for me on Thursday, 4th May so that I can continue to use my time, experience, strength and passion on your behalf.

Thank you.

Jackie Brockway

**Conservative Candidate for
Nettleham & Saxilby Division**

An experienced and dedicated campaigner for our community

A record of action and a promise of more.

SIR EDWARD LEIGH MP IS BACKING JACKIE BROCKWAY

■ Sir Edward Leigh MP, who represents the communities of the Nettleham & Saxilby division in Parliament, is backing incumbent county councillor Jackie Brockway. He said:

"As we leave the European Union it is so important that we have a strong, local team of councillors who will work with me to get the best deal for Lincolnshire.

"Conservatives offer the strong

and committed team that we need to get things done. By working together we achieve more than when we are not working in common cause.

"Jackie Brockway has the experience and record to convince even the most doubtful that she will be a strong voice for local communities. Her track record is one of dedication to the communities and people she serves."

Sir Edward Leigh MP

Action for the NETTLEHAM & SAXILBY DIVISION

ROADS AND POTHOLES

I have successfully lobbied for repairs to our local roads. Deepdale Lane, Queensway, Washdyke Lane and the A57 junction have all been improved. There is always more to be done, so I will keep pushing for a decent share of available funds to be spent on our local roads.

CAMPAGNING FOR A LINCOLNSHIRE AMBULANCE SERVICE

Lincolnshire suffers because we don't have our own ambulance service. I have joined the fight for a return to dedicated Lincolnshire Ambulances. I will lobby for this at every opportunity.

PROTECTING FIRE & RESCUE SERVICES

Despite budget cuts I worked closely with serving Fire Officers and Executive Councillors to negotiate the best possible contract for our fire service. I will fight any attempts to make further cuts to Fire and Rescue.

6 Good reasons to Vote Conservative...

1 KEEPING YOUR COUNCIL TAX BILL LOW

Lincolnshire's Council Tax remains the third lowest, despite the cuts to local government caused by the deficit left by Labour.

2 SUPER-FAST BROADBAND

Lincolnshire's Conservatives have worked hard to make sure that we are not left behind as super-fast broadband is rolled out.

3 MORE MONEY FOR ROAD MAINTENANCE

Conservatives have increased to £37 million the road maintenance budget this year, helping keep drivers and pedestrians safe.

4 MORE LIBRARIES OPEN FOR LONGER

With increased volunteer participation residents can do research, relax, learn and use IT facilities in more libraries for longer.

5 ENERGY-FROM-WASTE FACILITY BUILT

150,000 tons of land-fill waste is now processed each year to cleanly produce cheaper energy for local people.

6 PLANNING FOR THE FUTURE

We want a planning system that is fair to developers, communities and local people. The right development, in the right place.
