

A personal message from your local Conservative candidates

Dear Resident,

It has been a pleasure and a privilege to represent Brocklesby, Cabourne, Caistor, Great Limber, Keelby and Riby at West Lindsey, with our combined experience of over thirty years service.

We are extremely fortunate to live in such a wonderful part of the country and to serve such engaged and friendly communities. The many groups and volunteers are the lifeblood of our rural towns and villages. Owen and I are involved with many of these activities and understand the needs and concerns that affect our everyday lives.

At West Lindsey we sit on a variety of committees ranging from planning to licensing and bring your ideas and initiatives to the council. We also represent West Lindsey on a variety of outside bodies such as the Rural Services Network and Lincolnshire Wolds Joint Management team.

Both Owen and I have had the honour of being elected as Chairman of the Council. This is a great honour and privilege to represent the District at major events and to meet so many hardworking residents who tirelessly strive to improve the lives of members of our communities.

Please remember that you have two votes for the District Council on Thursday, 2nd May 2019.

Please vote for us your approachable, responsive and hard working Conservative team.

Yours sincerely,

Owen Bierley and Angela Lawrence

Conservative Plans to Invest in Services and Regeneration

The new leisure centre in Market Rasen

Conservative-led West Lindsey District Council has agreed a capital investment plan totalling £37 million, to support its vision for the district and the people it serves.

Regeneration, leisure and business growth, feature heavily in the plans over the next five years, as well as continuing to provide vital services for residents.

The council has a strong track record of identifying and generating income, savings and efficiencies whilst protecting priority services.

We have effectively managed the £4 million reduction in Revenue Support Grant from Central Government, since 2013/14.

We have achieved this through commercial and traded income, from making selective investments, charging for services, securing efficiencies and cost savings and successfully applying for more than £10 million in other grant funding schemes. We will continue to maximise technology to deliver modern, innovative and collaborative services, putting our customers at the centre of everything we do.

Our 5 Point Plan for West Lindsey

- 1** Keeping our portion of the Council Tax low by working in a business-like way and ensuring that public money is spent wisely.
- 2** Give local parish and town councils the right to 'call-in' planning applications for determination by the Planning Committee.
- 3** Keep the 1 hour free car parking in Gainsborough and 2 hours free car parking in Market Rasen to support local businesses.
- 4** Delivering leisure for all with a £7,100,000 investment in new and refurbished leisure facilities.
- 5** Complete construction of the district's first crematorium at Lea.

Local people are backing the Conservatives...

“ I work well with my Conservative colleagues on West Lindsey District Council, it means most of the time we are all pulling in the same direction as a team. Please vote Conservative to deliver for your community.

Sir Edward Leigh
Member of Parliament for Gainsborough

“ Having good local councillors who work hard for their communities is really important for me in my role as Police and Crime Commissioner. They need to understand the people and places they serve.

Marc Jones
Police and Crime Commissioner

BUILDING A BRIGHT FUTURE FOR EVERYONE IN WEST LINDSEY

Conservatives on West Lindsey District Council have been the administration since 2008. In that time they have made real progress in delivering on the promises they have made to local people.

Local people know that a Conservative-led district council is one where they are working to keep your local council tax bill low.

Conservatives recognise the importance that sport and leisure facilities make to people's enjoyment of their freetime, wellbeing and health. The refurbishment of the

leisure centre in Gainsborough, the construction of a new leisure centre in Market Rasen and the council's outreach programme means that Conservatives are delivering leisure for all across West Lindsey.

Conservatives have been at the forefront of putting local communities first.

Which is why they plan to give local parish and town councils the right to refer planning applications to the Planning Committee for a decision.

At the last elections they said they would generate more revenues by using the council's reserves in a more commercial way. This means the council's

assets are now helping to pay for the delivery of front-line services. The Conservatives' approach means that monies invested are returned to the council for future use, and the profits are used to keep key services funded. So, to build a bright future, back the Conservatives.

“ I am enormously proud to have been the Leader of West Lindsey District Council for the past 6 years.

Your Conservative team has really delivered for you: keeping council tax low, working in partnership with both parish & town and the county councils, and delivering major projects; like a crematorium at Lea and new leisure centre at Market Rasen.

We want to create a West Lindsey that is a great place to live, where people, businesses and our communities can thrive and realise their potential. An opportunity to continue building a bright future for everyone in West Lindsey.

Jeff Summers
Leader of West Lindsey District Council
