

# A personal message from your local Conservative candidates

*Dear Resident,*

Elections for Market Rasen Ward of West Lindsey District Council occur on Thursday 2nd May 2019 and you have three votes. This Ward combines the parishes of Legsby, Linwood, Market Rasen, Middle Rasen, North Willingham, Osgodby, Owersby, Sixhills, Tealby, Walesby and West Rasen. This is your chance to elect three Conservative Councillors to represent you.

John and Tom worked hard as your District Councillors for the past four years and look forward to welcoming Cordelia, who has been a Councillor previously, to the team. By voting Conservative you will have three representatives who will work to ensure consistent and effective representation for all the Ward.

Since being elected Tom's enthusiasm for helping residents has only increased. Not only has he been your District Councillor but also served on two Parish Councils and is your Armed Forces Champion for the District. John has worked and will continue to work to ensure that West Lindsey District Council invests in Market Rasen Ward for the benefit of all those who live, work and visit here. Cordelia has a young family and they enjoy the local green spaces. She is keen to nurture small local businesses, support the local economy and promote tourism in the area.

We all live in the Ward and understand the strengths and opportunities of the area but are keen to listen to your views about what matters. We will continue to champion the needs of the community and make sure your voice is heard.

Together we believe we will make a real impact in this Ward but need your help to do so.

Yours sincerely,

*Cordelia McCartney, John McNeill and Thomas Smith*

## Conservative Plans to Invest in Services and Regeneration

The new leisure centre in Market Rasen

**Conservative-led West Lindsey District Council has agreed a capital investment plan totalling £37 million, to support its vision for the district and the people it serves.**

Regeneration, leisure and business growth, feature heavily in the plans over the next five years, as well as continuing to provide vital services for residents.

The council has a strong track record of identifying and generating income, savings and efficiencies whilst protecting priority services.

We have effectively managed the £4 million reduction in Revenue Support Grant from Central Government, since 2013/14.

We have achieved this through commercial and traded income, from making selective investments, charging for services, securing efficiencies and cost savings and successfully applying for more than £10 million in other grant funding schemes. We will continue to maximise technology to deliver modern, innovative and collaborative services, putting our customers at the centre of everything we do.

**CORDELIA MCCARTNEY  
JOHN MCNEILL  
THOMAS SMITH**

# Our 5 Point Plan for West Lindsey

- 1 Keeping our portion of the Council Tax low by working in a business-like way and ensuring that public money is spent wisely.
- 2 Give local parish and town councils the right to 'call-in' planning applications for determination by the Planning Committee.
- 3 Keep the 1 hour free car parking in Gainsborough and 2 hours free car parking in Market Rasen to support local businesses.
- 4 Delivering leisure for all with a £7,100,000 investment in new and refurbished leisure facilities.
- 5 Complete construction of the district's first crematorium at Lea.

## Local people are backing the Conservatives...

“ I work well with my Conservative colleagues on West Lindsey District Council, it means most of the time we are all pulling in the same direction as a team. Please vote Conservative to deliver for your community.

**Sir Edward Leigh**  
Member of Parliament for Gainsborough

“ Having good local councillors who work hard for their communities is really important for me in my role as Police and Crime Commissioner. They need to understand the people and places they serve.

**Marc Jones**  
Police and Crime Commissioner

# BUILDING A BRIGHT FUTURE FOR EVERYONE IN WEST LINDSEY

**Conservatives on West Lindsey District Council have been the administration since 2008. In that time they have made real progress in delivering on the promises they have made to local people.**

**Local people know that a Conservative-led district council is one where they are working to keep your local council tax bill low.**

Conservatives recognise the importance that sport and leisure facilities make to people's enjoyment of their freetime, wellbeing and health. The refurbishment of the

leisure centre in Gainsborough, the construction of a new leisure centre in Market Rasen and the council's outreach programme means that Conservatives are delivering leisure for all across West Lindsey.

Conservatives have been at the forefront of putting local communities first.

Which is why they plan to give local parish and town councils the right to refer planning applications to the Planning Committee for a decision.

At the last elections they said they would generate more revenues by using the council's reserves in a more commercial way. This means the council's

assets are now helping to pay for the delivery of front-line services. The Conservatives' approach means that monies invested are returned to the council for future use, and the profits are used to keep key services funded. So, to build a bright future, back the Conservatives.

“ I am enormously proud to have been the Leader of West Lindsey District Council for the past 6 years.

Your Conservative team has really delivered for you: keeping council tax low, working in partnership with both parish & town and the county councils, and delivering major projects; like a crematorium at Lea and new leisure centre at Market Rasen.

We want to create a West Lindsey that is a great place to live, where people, businesses and our communities can thrive and realise their potential. An opportunity to continue building a bright future for everyone in West Lindsey.

**Jeff Summers**  
Leader of West Lindsey District Council
