

A personal message from your local Conservative candidate

Dear Resident,

This is a local election. It has nothing to do with Brexit or Westminster. You are voting for the person you think can provide the best outcomes for West Lindsey Residents in the Waddingham and Spital Ward.

I would like to be that person.

Our record speaks for itself. £10 Million won in Government bidding. This fund will help mitigate the funding gap on housing sites in West Lindsey. Paying for the removal of contamination, creating access and bridging the viability gap.

£90,250 invested in communities via the Councillor Initiative Fund. Through our Councillor Initiative fund we have enabled hundreds of projects for communities.

£7.4 million invested in health and wellbeing across the district. £1.4 million in the West Lindsey Leisure Centre. Significant improvements and an increased offer has attracted hundreds more participants. £6 million in the Market Rasen with a new facility. The most significant investment ever made in Market Rasen. A significant springboard for more investment in the town.

£6million in a new modern crematorium. We aim to put an end to the unacceptable waiting you have to endure during one of the most stressful times in your life, when a loved one has passed away. A state of the art, modern, sensitive design.

This is a good time to mention my investment philosophy . PFS. = PHYSICAL-FINANCIAL-SOCIAL. Everything we invest in must provide one two or three of the elements of this strategy. We should never just spend our reserves but always invest with a return to enable future investment in our communities.

Yours sincerely,

Jeff Summers

JEFF SUMMERS

Conservative Plans to Invest in Services and Regeneration

The new leisure centre in Market Rasen

Conservative-led West Lindsey District Council has agreed a capital investment plan totalling £37 million, to support its vision for the district and the people it serves.

Regeneration, leisure and business growth, feature heavily in the plans over the next five years, as well as continuing to provide vital services for residents.

The council has a strong track record of identifying and generating income, savings and efficiencies whilst protecting priority services.

We have effectively managed the £4 million reduction in Revenue Support Grant from Central Government, since 2013/14.

We have achieved this through commercial and traded income, from making selective investments, charging for services, securing efficiencies and cost savings and successfully applying for more than £10 million in other grant funding schemes. We will continue to maximise technology to deliver modern, innovative and collaborative services, putting our customers at the centre of everything we do.

West Lindsey District Council Elections 2 May 2019

RE-ELECT

JEFF SUMMERS

The local choice for the
Waddingham & Spital Ward

 Vote Conservative

Our 5 Point Plan for West Lindsey

- 1 Keeping our portion of the Council Tax low by working in a business-like way and ensuring that public money is spent wisely.
- 2 Give local parish and town councils the right to 'call-in' planning applications for determination by the Planning Committee.
- 3 Keep the 1 hour free car parking in Gainsborough and 2 hours free car parking in Market Rasen to support local businesses.
- 4 Delivering leisure for all with a £7,100,000 investment in new and refurbished leisure facilities.
- 5 Complete construction of the district's first crematorium at Lea.

Local people are backing Jeff SUMMERS

“ I work well with my Conservative colleagues on West Lindsey District Council, it means most of the time we are all pulling in the same direction as a team. Please vote Conservative to deliver for your community.

Sir Edward Leigh
Member of Parliament for Gainsborough

“ Having good local councillors who work hard for their communities is really important for me in my role as Police and Crime Commissioner. They need to understand the people and places they serve.

Marc Jones
Police and Crime Commissioner

BUILDING A BRIGHT FUTURE FOR EVERYONE IN WEST LINDSEY

Conservatives on West Lindsey District Council have been the administration since 2008. In that time they have made real progress in delivering on the promises they have made to local people.

Local people know that a Conservative-led district council is one where they are working to keep your local council tax bill low.

Conservatives recognise the importance that sport and leisure facilities make to people's enjoyment of their freetime, wellbeing and health. The refurbishment of the

leisure centre in Gainsborough, the construction of a new leisure centre in Market Rasen and the council's outreach programme means that Conservatives are delivering leisure for all across West Lindsey.

Conservatives have been at the forefront of putting local communities first.

Which is why they plan to give local parish and town councils the right to refer planning applications to the Planning Committee for a decision.

At the last elections they said they would generate more revenues by using the council's reserves in a more commercial way. This means the council's

assets are now helping to pay for the delivery of front-line services. The Conservatives' approach means that monies invested are returned to the council for future use, and the profits are used to keep key services funded. So, to build a bright future, back the Conservatives.

“ I am enormously proud to have been the Leader of West Lindsey District Council for the past 6 years.

Your Conservative team has really delivered for you: keeping council tax low, working in partnership with both parish & town and the county councils, and delivering major projects; like a crematorium at Lea and new leisure centre at Market Rasen.

We want to create a West Lindsey that is a great place to live, where people, businesses and our communities can thrive and realise their potential. An opportunity to continue building a bright future for everyone in West Lindsey.

Jeff Summers
Leader of West Lindsey District Council
