

Remember, when local Conservatives win our whole community wins.

Our communities are so well placed to take advantage of the Lincolnshire Wolds.

3
PROTECTING EAST LINDSEY'S BEAUTIFUL COUNTRYSIDE
 Caring for the Countryside & Wildlife by ensuring responsible conservation. I want to work to ensure that education for everyone is available to enable an understanding of nature and the environment. East Lindsey is a beautiful place.

By encouraging people to participate in sport and leisure activities we can save our NHS considerable sums of money.

2
BUILDING A HEALTHIER COMMUNITY FOR ALL
 Health and Wellbeing is important for all ages. Social interaction through fitness and exercise groups can offer a multitude of benefits. Mental health issues are often overlooked and physical health can be improved with a preventative approach.

Even a mobile Post Office would be a solution. Although ideally we need a proper Post Office in Wragby.

1
WORKING TO GET A POST OFFICE BACK IN WRAGBY
 Wragby has been without a Post Office for some considerable length of time. I will work with local residents, local businesses and the Post Office to bring a facility back to the town. Post Offices provide access to vital services like banking supporting our communities.

YOUR PRIORITIES ARE MY PRIORITIES...

The local choice for the Wragby ward

Julie Platt

I am enormously proud to pass the baton on to Julie who will make a fabulous councillor for all the people of the whole of the Wragby ward.
 CLLR. NICK GUYATT (RETIRED DUE TO ILL HEALTH)

WHO IS JULIE PLATT?

Julie has lived in West Barkwith since 2006 when she and her husband moved from Herefordshire to purchase Star Garage – a small family run business that is well supported by the local community.

Julie has been an Accountant for over 35 years and has also enjoyed her involvement with charitable organisations.

This began when her children were at pre-school and she worked as a volunteer for Home-Start – a support group for mums and children that need a helping hand and friendship.

Living at the foot of the Malvern Hills was an irresistible call to enjoy the outdoors and walking. This led to training as a Health Walk Leader, a Nordic Walking Instructor and Julie

also enjoys regular visits to the local swimming pool. Julie is a firm believer in exercise as a preventative measure to illness, age related issues and mental health wellbeing.

People say that 'a walk without a dog is wasted'. So for many years she was a volunteer dog walker for the local RSPCA kennels. Her love of animals has led to her voluntary work as a fosterer for Cats Protection, an RSPCA home visitor and she is currently running her own Cat and Kitten Rescue - Star Cat Rescue.

Julie has a keen interest in Green Issues, renewable energy and any ideas or suggestions that will ensure our children have a healthy, happy future.

East Lindsey District Council elections **2 May 2019**

Our record of action, our promise of more.

JULIE PLATT

Your local Conservative candidate in **East Barkwith, Hatton, Langton-by-Wragby, Panton, West Barkwith, West Torrington and Wragby**

8 Good Reasons to Vote Conservative in the Wragby Ward

SUPPORTING OUR LOCAL BUSINESSES

By offering Business Rate Relief to manufacturers looking to move or expand here, and other grant schemes, we will help grow businesses and support new jobs.

The roll-out of broadband not only helps local residents but also local businesses.

We have supported agriculture and the Louth Cattle Market to protect our rural economy.

FIGHTING FOR LOCAL NHS SERVICES

Through our representatives on the Lincolnshire Health Scrutiny Committee, and directly to senior NHS leaders we will continue to insist that local services are retained at both Louth Hospital and the Pilgrim Hospital.

Conservatives are committed to our NHS. Nationally we are providing an extra £20.5 billion for the NHS by 2023-24.

KEEPING OUR COUNCIL TAX LOW

Our District level Council Tax is one of the lowest in the country (and almost £150 cheaper than Lincoln City). We intend to keep it that way.

Over the next four years East Lindsey District Council will be responsible for over £325 million of public money.

Running the Council needs the Conservatives who have the experience to keep us on track.

IMPROVING SPORT AND LEISURE

Continue our program of investing in our local sports and leisure facilities across the District, making them attractive and accessible to all.

We are working with town and parish councils where they wish to have more control over local facilities.

By increasing participation in leisure and sport activities we can save considerable costs falling on our NHS.

On Thursday, 2nd May 2019 vote for your local conservative candidate **JULIE PLATT**

PROTECTING THE MOST VULNERABLE

East Lindsey has the highest over-65s population in the UK. We are committed to helping people enjoy staying in their homes for longer, while assisting younger people in difficulty get back on their feet in work and life.

Conservatives have launched the 'Wellbeing Lincs' service in partnership with neighbouring authorities to support our local residents and deliver real value for money.

GROWING OUR VISITOR ECONOMY

Whether it is the Coast, our Market Towns, or the Wolds and Fens we will promote and support our incredible range of attractions bringing in jobs and investment.

We will deliver our £300,000 New Foreshore Plan, a new High Wire attraction, and new Environmental Enforcement Officers to tackle litter and antisocial behaviour.

CHAMPIONING GETTING ROAD REPAIRS

As someone who works in a garage Julie knows that one of the biggest problems we all face is the state of local roads.

Many Garage customers complain and have to pay to have tyres and wheels damaged by the many potholes and road conditions.

Working with County Councillor Tricia Bradwell to report and sort problems will be a key part of my role.

LOCAL ELECTIONS ARE ABOUT LOCAL ISSUES

We know, and often share your frustrations, with Westminster politics. But your vote in the local elections on Thursday, 2nd May 2019 is about who spends public money wisely and sorts out local public services in East Lindsey.

Running the Council is a big responsibility and only the Conservatives have the experience to keep taking the right decisions in the interest of our community.
