The local choice for the Cherry Willingham Ward

**Working hard to represent the people of Barlings,
Cherry Willingham, Fiskerton, Greetwell, Newball,
Reepham, Stainton-by-Langworth**

Dear Resident,

Anne Welburn has been a District Councillor since her election in 2008 and has been Deputy Leader of the Conservative administration at West Lindsey District Council for the past two years. She has championed the interests of her ward, the villages of Cherry Willingham and Reepham. Her work has offered an ever varying programme, from working with the local Parish Councils, schools or clubs on local initiatives to tackling planning and highway issues on local residents' behalf.

Anne is joined by two local champions from our community: Steve Trevor, Chairman of Cherry Willingham Parish Council and Alex Bridgwood, Chairman of the Leisure & Amenities committee of Cherry Willingham Parish Council. Anne says "We will work together as a team, representing the views of local residents at the District Council, developing new initiatives, revenue streams and being a part of a streamlined Council looking to maintain the strong position which Conservatives have developed in recent years".

As Local Government has played its part in reducing the national deficit, local Conservatives have strived to ensure that the District Council remains focused on balancing the budget and delivering value for money, as we work towards being self-sufficient by 2020/21. This will mean we won't be dependent on money from central government or council tax increases.

West Lindsey is one of the top recycling districts in the country and we are proud of our double award winning refuse collection service. Conservatives have frozen the level of the West Lindsey's portion within the total Council Tax bill in four out of the past five years and we have driven down waste. We will ensure that West Lindsey engages with and listens to local residents.

The changes to the boundaries of the local government wards mean we are very proud to welcome the new parishes to the Cherry Willingham Ward. We will fight hard for all residents. Together we are stronger. Our top priorities for the Cherry Willingham Ward are:

- To continue our fight for a solution to the Hawthorn Road problem
- Ensure timely delivery of Neighbourhood Plans in the area
- Ensure we have youth facilities and initiatives to reduce youth unemployment
- Support and develop local businesses to encourage economic growth
- Encourage active lifestyles with continued support for the Health Walks, the Witham Valley Access Group and new walking trails locally.

Please remember that you have three votes for the District Council on Thursday, 7th May 2015. Please vote for us, your local Conservative team.

Yours sincerely,

Alexander

ALEXANDER BRIDGWOOD

OUR PRIORITIES FOR WEST LINDSEY

- 1 Keeping your Council Tax bill low** by ensuring that the Council is run efficiently and by having a more commercial approach
- 2 Attract and support businesses, create new jobs** for local residents, to ensure that the people of the district can prosper
- 3 We will continue to provide excellent refuse services** for local residents, having won two national awards for our services
- 4 Champion the district of West Lindsey** supporting tourism and getting the right policies in the Central Lincolnshire Local Plan
- 5 Get resources into our communities** by getting funding to parish councils, community groups and local organisations

MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.

JEFF SUMMERS

A RECORD OF ACTION.

- Our council tax has been kept low, frozen in four of the last five years.
- We have not introduced a separate charge for your green waste wheelie bin.
- We have worked with our partners to bring youth unemployment down.
- We have changed the way the council delivers, embracing entrepreneurialism.
- Over £250,000 has been awarded via the Councillors' Initiative Fund.

A PROMISE OF MORE.

- We will keep council tax low and where possible we will freeze it.
- We intend to keep green waste wheelie bins paid for through the council tax.
- By working with partners we will deliver services which are cost effective.
- We will embrace a commercial approach to generate new sources of revenue.
- We shall keep, for the next two years, at least, the Councillors' Initiative Fund.
