**FOR POLICE & CRIME COMMISSIONER**

**POLICE & CRIME COMMISSIONER ELECTIONS THURSDAY 2ND MAY**

*Dear Resident,*

**The stakes for policing and community safety in your area could not be higher**

I have been honoured to be your Police and Crime Commissioner in Lincolnshire since 2016. I inherited a budget of £112m and have increased that to £178m in just eight years. Financial stability for policing is vital to the safety of our communities.

With ambitious new priorities the force delivered record numbers of police recruits, an array of game changing units and innovations including – **a roads policing unit, drone and rural crime teams, a unit tackling drug related crime and extra police officers into neighbourhoods** to mention a few.

It is time to build on that success – It is vital PCC and Chief Constable work together. I recently appointed a new Chief Constable with the vision and commitment to deliver my ambitious plans to slash crime over the coming years. **We will make a formidable team protecting your community.**

## My promise to you:

- ✔ Continue to maximise police officer numbers
- ✔ Visible anti-social behaviour hotspot patrols
- ✔ Speed up detection of criminals, faster justice for victims
- ✔ Make policing more visible to our communities
- ✔ Free officers from paperwork, get them back on the streets

With your support we can do so much and I am committed to delivering for you, so **please VOTE Marc Jones for Police and Crime Commissioner on 2nd May.**

Yours sincerely,

A handwritten signature in blue ink that reads "M. Jones".

## Why it HAS to be Marc...

The only candidate with a track record of delivery and a serious plan for more

Has just appointed the new Chief Constable for Lincolnshire. That relationship must work to get crime down and keep communities safe

Delivered record numbers of police officer recruits and has costed plans to maximise officer numbers in coming years

Has increased the funding to Lincolnshire Police by £66m in just eight years and has a credible plan to boost that further

Delivered investments that have transformed policing in Lincolnshire and freed up officer time. Has a costed plan to free up thousands more front line hours from recently imposed central desk work

Created a country leading victim/survivor service for Lincolnshire but is committed to doing even more to support those in need of help.
