EDWARD LEIGH MP
HOUSE OF COMMONS, LONDON SW1A 0AA

I am pleased that the Association's Ball has returned to the autumn. It is an excellent opportunity for us to all meet up, socialise and celebrate our achievements over the past year. I look forward to seeing you there.

We are nearly half way through this Parliament. It hardly seems like two years ago when we were celebrating kicking Gordon Brown and Labour out of Government. When we found out what a mess the public finances were really in. We did not know what difficulties being in Coalition, with the Liberal Democrats, would bring; but we must continue our endeavours to reduce the structural deficit in the public finances. I remain committed to doing my best for all my constituents as your Conservative Member of Parliament for the Gainsborough Constituency.

It was great to see Lincolnshire in such fine form over the Jubilee weekend. Together with Jesse Milne I went to seven village Fetes – it was great to see such a loyal turnout for the Queen.

Locally, we are preparing for the Police and Crime Commissioner election, across the whole of Lincolnshire, which will take place on Thursday, 15th November 2012 and next spring will be elections for Lincolnshire County Council. I know that our candidates will work hard in these elections, and if you can help I am sure they would appreciate your assistance.

I would just like to record my gratitude for the work my staff do, both Jessie Milne and Giles McNeill in the constituency, together with Hugh Selka, Andrew Cusack and, my wonderful wife, Mary in the Office at Westminster.

I know that the Gainsborough Constituency Conservative Association is going from strength to strength and I wish each and all of you the very best.

Kind Regards,

Edward Leigh
