72 Sykes Lane, Saxilby

Dear Elector,

It has been a privilege to serve as your County Councillor since September last year. As successor to the late Councillor Ray Sellars, I promised that I would give my best effort for our community. I have done so. I now ask you to vote for me again, so that I can continue the work you have allowed me to begin.

I believe very much that a County Councillor should put loyalty to residents before any political party and that is exactly what I have done. I am hard-working and truthful and will continue to represent you without fear or favour.

I have supported and fought for a number of our local issues at County level and am now helping to scrutinise the work of the County Council in order to ensure best value for money. I am not afraid to ask difficult questions and to keep going until I receive an answer.

Living locally as I do, many of the issues which affect you also affect me and I will continue to deal with people's concerns on a daily basis.

I ask you to vote for me on Thursday, May 2nd, so that I can use my local knowledge and my experience as a County Councillor to represent your interests.

Yours sincerely

Jackie Brockway
