The right choice for the Lea Ward

- Keeping council tax low for local residents by making sure the council is run efficiently
- Working hard to represent the people of Kexby, Knaith, Lea and Upton without fear or favour

Dear Resident,

I have served as your West Lindsey District Councillor for the past eight years, it has been an honour and privilege to have worked with you all, I have done my very best to help all the residents of Lea Ward.

IF RE-ELECTED I WILL:-

- Continue to work hard for you and all the Residents of West Lindsey
- Continue to fight against Urban Sprawl
- Continue to fight for housing to be built on Brown Field sites, not on food producing Green Field Land
- Continue to encourage Business's to come and invest in West Lindsey
- Continue the fight for Public Services (both Bus and Railway)
- Continue the purge against Fly Tipping, (which is spoiling our beautiful countryside and is a great cost to the tax payer)

I WILL ALSO:-

- Strive to keep Council tax down, as I believe you know how best to spend your money
- Strive to keep all front line services
- Ensure that we are a cost effective council and scrutinise in-house spending, making sure we spend your money wisely
- Carry on the Good Work we have started towards becoming an independent Council as Government Funding will eventually cease by 2020

These and so much more, I will do my very best to work for you.

Please give me your support on Thursday 7th May 2015.

Yours sincerely,

Jessie

MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.
