## The local choice for the Caistor and Yarborough Ward

- Keeping council tax low for local residents by making sure the council is run efficiently
- Working hard to represent the people of Brocklesby, Cabourne, Caistor, Great Limber, Keelby and Riby without fear or favour

Dear Resident,

It has been a pleasure and privilege to represent Brocklesby, Keelby and Riby and Caistor, Swallow and Great Limber respectively as your District Councillors over the past few years. We now offer ourselves for election for the new ward, which brings together the former Caistor and Yarborough areas.

Over the last four years we have supported many groups through the Councillor Local Initiative Fund including Caistor in Bloom, Young Enterprise, Caistor Sports and Social Club, Keelby Sports Association, Keelby Village Hall, Swallow Village Hall, Hullabaloo, Tennyson Junior Football Club, Hillside Bowls Club, CAB and Caistor Town Council for play equipment.

Caistor Neighbourhood Plan is approaching adoption. This is a pioneering programme in which Caistor was a "front runner". This plan is designed to inspire and empower the local community to shape the future of the place in which we live. After the consultation the plan will go to a referendum and then be adopted into the national strategy.

Whilst we understand that in an area such as ours support for businesses and the rural economy is vitally important, we will continue to oppose any plans for inappropriate or intrusive development.

If re-elected we will endeavour to serve all residents to the best of our ability and to fully support the Town and Parish Councils and the Parish Meetings. We will work towards improved, state of the art, health provision including bringing a dentist to Caistor. We remain resolute in our support for libraries and youth clubs. We will seek to ensure access to appropriate and affordable housing for residents, the further improvement of public transport provision and to bring the rollout of superfast broadband and better mobile 'phone coverage to reality.

We have pledged our full moral and practical support to the exciting plans to secure the future of Brocklesby Park Primary School, giving parents a real and genuine choice.

Angela has lived in Caistor for over 35 years, running a successful business for over 30 years. Owen moved to Keelby in 1979 and quickly became fully involved in community life. Both share the demands of residents to provide essential services in Caistor and Yarborough ward whilst at the same time maintaining the character and rurality of each community.

Please remember that you have two votes for the District Council on Thursday, 7th May 2015. Please vote for us, your local Conservative team.

Yours sincerely,

Owen

## OUR PRIORITIES FOR WEST LINDSEY

- 1 Keeping your Council Tax bill low** by ensuring that the Council is run efficiently and by having a more commercial approach
- 2 Attract and support businesses, create new jobs** for local residents, to ensure that the people of the district can prosper
- 3 We will continue to provide excellent refuse services** for local residents, having won two national awards for our services
- 4 Champion the district of West Lindsey** supporting tourism and getting the right policies in the Central Lincolnshire Local Plan
- 5 Get resources into our communities** by getting funding to parish councils, community groups and local organisations

## MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.

**JEFF SUMMERS**

### A RECORD OF ACTION.

- Our council tax has been kept low, frozen in four of the last five years.
- We have not introduced a separate charge for your green waste wheelie bin.
- We have worked with our partners to bring youth unemployment down.
- We have changed the way the council delivers, embracing entrepreneurialism.
- Over £250,000 has been awarded via the Councillors' Initiative Fund.

### A PROMISE OF MORE.

- We will keep council tax low and where possible we will freeze it.
- We intend to keep green waste wheelie bins paid for through the council tax.
- By working with partners we will deliver services which are cost effective.
- We will embrace a commercial approach to generate new sources of revenue.
- We shall keep, for the next two years, at least, the Councillors' Initiative Fund.
