

Stuart KINCH

The local choice for Torskey Ward

- Keeping council tax low for local residents by making sure the council is run efficiently
- Working hard to represent the people of Brampton, Fenton, Gate Burton, Kettlethorpe, Marton, Newton-on-Trent and Torksey without fear or favour

Dear Resident,

It has been a pleasure and privilege to have represented you as your District Councillor over the last twelve years and I will be offering myself for re-election on Thursday, 7th May 2015.

I have been a local resident for the past thirty-nine years and went to school at Marton, then Lincoln before studying at Nottingham.

I have built up our local family business here in Torksey and I am raising my young family in our beautiful area. My wife, Sara used to work as a nurse in the Intensive Care Unit in Lincoln, but has now become a full time mum.

Many local residents know that I have worked hard for our communities and I will continue to do so.

Using the Local Councillor Initiative Fund I have supported the wooden fence around the new play equipment in Torksey, the establishment of a weekly Tai Chi group in the village and the Gardeners Club to plant bulbs as well. I have helped fund new play equipment in Kettlethorpe, a number of projects at the Kettlethorpe Village Hall and the renovation of the red telephone kiosk in Brampton in recent years.

I am proud that Conservative control at West Lindsey District Council means we have frozen our portion of the Council Tax for four of the past five years and I promise to keep Council Tax low in future.

Local government has had a difficult time, as we have faced substantial cuts to the grant we receive from central government, as we have done our bit to cut the national deficit. Nevertheless Conservatives on West Lindsey have kept our promises, like keeping the green waste wheelie bin service paid for through the council tax, and not through a separate charge.

I hope you will be able to vote for me on Thursday, 7th May.

Yours sincerely,

Stuart

STUART KINCH

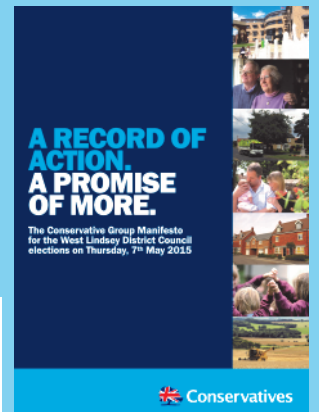

OUR PRIORITIES FOR WEST LINDSEY

- 1 Keeping your Council Tax bill low** by ensuring that the Council is run efficiently and by having a more commercial approach
- 2 Attract and support businesses, create new jobs** for local residents, to ensure that the people of the district can prosper
- 3 We will continue to provide excellent refuse services** for local residents, having won two national awards for our services
- 4 Champion the district of West Lindsey** supporting tourism and getting the right policies in the Central Lincolnshire Local Plan
- 5 Get resources into our communities** by getting funding to parish councils, community groups and local organisations

MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.

JEFF SUMMERS

A RECORD OF ACTION.

- Our council tax has been kept low, frozen in four of the last five years.
- We have not introduced a separate charge for your green waste wheelie bin.
- We have worked with our partners to bring youth unemployment down.
- We have changed the way the council delivers, embracing entrepreneurialism.
- Over £250,000 has been awarded via the Councillors' Initiative Fund.

A PROMISE OF MORE.

- We will keep council tax low and where possible we will freeze it.
- We intend to keep green waste wheelie bins paid for through the council tax.
- By working with partners we will deliver services which are cost effective.
- We will embrace a commercial approach to generate new sources of revenue.
- We shall keep, for the next two years, at least, the Councillors' Initiative Fund.
