The right choice for Wold View Ward

Working hard to represent the people of Brookenby, Claxby, Holton-Le-Moor, Kirmond-Le-Mire, Nettleton, Normanby-Le-Wold, Rothwell, Stainton-Le-Vale, Swallow, Swinhope, Thoresway and Thorganby without fear or favour

Dear Resident,

It has been a pleasure and privilege to have represented the Wold View ward as your District Councillor over the last five years. I have been busy supporting our local community in many areas. I will be offering myself for re-election on Thursday, 7th May 2015.

My electorate is most important to me and my work generated from Parish Council meetings and individual contact from residents within Wold View is central to my work effort.

My priorities have been focused on an improved relationship between District and Parish, valuable use of Councillor Initiative Funds throughout the Ward for Community, Amenity and Infrastructure purposes. Promoting Local Business opportunities through Government Grant advice and assisting with proposed Planning Applications whilst protecting the surroundings of our Ward and it's area of outstanding natural beauty. Reacting quickly to enforcement issues and requests from local residents.

I believe Wold View is a better place for my efforts to live and prosper and if I am re-elected on Thursday, 7th May 2015 I will continue to do my utmost to support you as local residents and tackle your concerns.

I hope you will be able to vote for me on Thursday, 7th May.

Yours sincerely,

Tom Regis

MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.

A RECORD OF ACTION.

- Our council tax has been kept low, frozen in four of the last five years.
- We have not introduced a separate charge for your green waste wheelie bin.
- We have worked with our partners to bring youth unemployment down.
- We have changed the way the council delivers, embracing entrepreneurialism.
- Over £250,000 has been awarded via the Councillors' Initiative Fund.

A PROMISE OF MORE.

- We will keep council tax low and where possible we will freeze it.
- We intend to keep green waste wheelie bins paid for through the council tax.
- By working with partners we will deliver services which are cost effective.
- We will embrace a commercial approach to generate new sources of revenue.
- We shall keep, for the next two years, at least, the Councillors' Initiative Fund.
