The local choice
for the Dunholme
and Welton Ward

Dear Resident,

On May 7th, electors will be able to vote for three district councillors in the newly created Dunholme and Welton ward of West Lindsey District Council.

With three seats to elect on to the council, this is a unique opportunity to elect a strong team to represent you.

The Conservative party is the only one able to provide three candidates to form such a team.

All three candidates live in the ward. Malcolm Parish has had many years of experience in local government, especially at district level and is currently the Chairman. Anjum Sawhney and Steve England, both of whom, by their involvement in their respective communities, have demonstrated a high level of commitment to those communities. This collective experience, together with the invaluable support of Conservative county councillor Sue Rawlins, means we have a sound understanding of the issues affecting the whole of the many communities that make the Dunholme and Welton ward.

As a team, they will have the flexibility to ensure effective, consistent and cohesive representation across the ward, ensuring that everyone will have the opportunity to contact them easily and quickly should the need arise.

Others will promise you the same, but they do not have the resources to provide effective coverage over such a large ward. Don't let them lull you into a false sense of security, making promises that they cannot, and will not be obliged to keep.

By electing a team, the ward will have three members working together on behalf of all electors, and with more influence than the entire grouping of some other parties on the council.

Your vote for the Conservatives on 7th May will ensure strong local governance at West Lindsey, and strong localised representation for the people of the Dunholme and Welton ward.

Yours sincerely,

Steve

MESSAGE FROM JEFF SUMMERS Conservative Leader of West Lindsey District Council

The Conservative Group on West Lindsey District Council has been the controlling majority for the last four years since the last elections.

I am really proud of the Conservative team I lead and our record.

It hasn't always been easy to protect frontline services and balance the council's budget; as we in local government have done our bit to reduce the national deficit. Nevertheless our record is one I believe demonstrates that

we have kept our promises. We have kept council tax low, as we pledged, with a freeze in our portion of the council tax in four out of the past five years. We have supported Parish and Town Councils together with local voluntary groups. We promised to provide excellent refuse collection services and have won two national awards for our service.

A Conservative council will make our district more prosperous, more enterprising, more accessible and more

connected. Our vision is one where West Lindsey is increasingly green, a district where people want to work, live and visit. We will encourage residents to be, and build communities that are, more active and healthy.

On Thursday, 7th May please vote Conservative.

A RECORD OF ACTION.

- Our council tax has been kept low, frozen in four of the last five years.
- We have not introduced a separate charge for your green waste wheelie bin.
- We have worked with our partners to bring youth unemployment down.
- We have changed the way the council delivers, embracing entrepreneurialism.
- Over £250,000 has been awarded via the Councillors' Initiative Fund.

A PROMISE OF MORE.

- We will keep council tax low and where possible we will freeze it.
- We intend to keep green waste wheelie bins paid for through the council tax.
- By working with partners we will deliver services which are cost effective.
- We will embrace a commercial approach to generate new sources of revenue.
- We shall keep, for the next two years, at least, the Councillors' Initiative Fund.
